I: Minutes from Previous Meeting

- Minutes from previous meeting, June 10th, 2009, were read and approved by all members.

II: President's Report

- Margaret shared news from the NevAEYC meeting – it went well and the board was happy to hear of the fun schedule of events R.A.E.Y.C. has planned for the summer.
- The President clarified that the Reno Aces event has been officially moved to September 4th, 2009; also the mixer will be held on July 16th, 2009 at Ceol's bar from 6 – 8 pm. Margaret requested that all board members attending the mixer bring an appetizer, and T.E.A.C.H. ® Nevada will provide dessert.

III: Treasurer's Report

- The Treasurer did not have much to report – there will be more to discuss at the next meeting, post receiving registrations for the Wild Waters and Reno Aces events.

IV: Vice President's Report

- Cindy Johnson and Mariah Wedemeyer shared some of their experiences at WSLN. Overall, it sounded very insightful and worth the trip, however, they did not bring back photographs... Cindy shared the content of some of the trainings and other events offered at WSLN, as well as NAEYC updates.

V: Member at Large...

- Erin Baerwaldt did a fabulous job on the summer 2009 newsletter – it was completed by the evening of July 8th, 2009, and the remainder of the meeting was dedicated to folding and addressing the newsletters – in an effort to have them mailed out by no later than tomorrow afternoon.
- Erin also gave the board an update on how the R.A.E.Y.C. Wild Waters event will take place – since she will be unable to attend; she gave Margaret the breakdown on ticket and meal ticket prices for groups.
- Erin also brought up the possibility of advertisers in the R.A.E.Y.C. newsletter – Danielle agreed to type up at least 10 labels to send newsletters to potential advertisers. They were sent to Sylvan Learning Center, Learning Express, Toys'R'Us, Playful Potter, Tumblebus, Lil' Kickers, Gymboree Play & Music, Nevada State Museum, Borders, Nevada Dance Academy, and Roller Kingdom. Hopefully we hear back from some of these businesses!

VI: Committee Report

- Whitney Leathers and Kimber Craig were not present at this meeting – Margaret finalized plans for the July 16th mixer, as stated above in the President's Report.

VII: Items Not on Agenda...

- The rest of the meeting was spent folding & addressing newsletters. We ended up being about 80 short, so Danielle agreed to get them printed, folded, and mailed out by no later than 12pm the following day.
